

PROJECT REFERENCES

Ramboll's European Policy Department contributes to building sustainable societies in Europe. We help our clients to address societal and policy challenges within a European context. Below you will find a list of project references divided in to three thematic fields.

WORK, WELFARE & INCLUSION

In the areas of employment, education, migration, inclusion, and health, we have long-standing expertise in working on Europe-wide projects. Cooperation with specialists in Ramboll's country offices adds local and national perspectives to our work in supporting social cohesion and wellbeing of European citizens.

GROWTH & INFRASTRUCTURE

Through a number of projects in the field of regional development, information society, digitalisation, enterprise and industry, internal market, public procurement, and transport, we have established a strong partnership with the European Commission that is continuously working towards a better functioning of digital infrastructure, the Internal Market, and ensuring the competitiveness of the European economy and industry.

SUSTAINABILITY & NATURAL RESOURCES

As a leading multidisciplinary engineering consultancy, we have access to a diverse pool of in-house experts in sectors such as energy, climate change, environment and resource management. With proficient project and knowledge management, we successfully advise and support the European institutions on a way to sustainable development.
